In other words, it lowers the risk of your business because of its affordable price and small size. If you are looking for a low-cost choice for your plan, the small coffee trailer can be customized and built on the basis of your ideas. ● Upgrade Equipment Kit: Despite its size, the small coffee trailer has everything your mobile trailer business requires, such as 2 stainless steel workbenches, many cabinets under tables, a 3 compartment water sinks with faucets and water tanks, an electric trailer jack with wheel, a 1.5m bench fridge with hinge door, and LED lights. Commercial kitchen appliances, such as espresso machines, can be offered to you at the best price. ● Free Design: Our designers work with you to find out the ideal design and style for your small coffee trailer. The logo stickers, signs, and patterns can be customized in order to highlight the values and services of your coffee business. A 2D model or 3D model will be sent to your e-mail before the manufacturing of the trailer.

Warranty:	1 year warranty for free
